Pelle Collection

Leather, a symbol of protection, beauty and power has captivated humans since the times of ancestral cultures.

Manifested through different means, art has been developed to produce furniture, ornamentation, fashion and haute couture.

In search of purely traditional flavours, Pelle is born into a world where the co-existence of the manufactured and the natural is without a doubt modern tendency.

The moment has come for leather, in the form of porcelain to clothe and cloak the most special spaces, those that surrounds us, creating spaces with soul, warm and unique.

La piel símbolo de protección, belleza y poder ha conquistado al ser humano desde culturas ancestrales.

El arte manifestado en diversos medios se ha desarrollado para elaborar mobiliario, decoración, moda y alta costura.

Pelle nace de la búsqueda del sabor por lo puramente artesanal. La convivencia con lo natural y manufacturado es sin duda la tendencia de hoy en día.

Ha llegado el momento de que la piel borde y revista el espacio más especial, el espacio que nos rodea en forma de un porcelánico cálido, único y con alma propia.

*Pelle is timeless
It overwhelms and carries
us somewhere exotic ...
To a previous existence
That is awaiting in the future.*

*Pelle es atemporal
nos envuelve y traslada
a algún lugar exótico...
a algún pasado remoto
que nos está esperando en el futuro.*
