Texture is the sensation created by surfaces found on objects and it is the foundation of our collections Markham and Montblanc which are based on a pure white colour available in two finishes – satin and gloss – in our new premium 45x120cm white body wall tile.

White creates a canvas for one to decorate in different ways all year around by making subtle changes to the decoration. Designed for those seeking to make each room unique, contemporary and luxurious, the three existing textures will suggest new perspectives by creating dynamic spaces that will manage to make them open and inviting, no matter the size or layout.

La textura es la sensación creada por las superficies de los objetos y el fundamento de nuestras colecciones Markham y Montblanc basadas en un color blanco puro disponible en dos acabados - satinado y brillo - en nuestro nuevo formato exclusivo de revestimiento 45x120cm, en pasta blanca.

El color blanco crea un lienzo que permite variación en el diseño en forma de cambios sutiles en la decoración. Diseñadas para aquellos que buscan crear ambientes únicos, contemporáneos y lujosos, las tres texturas existentes en gran formato sugerirán nuevas perspectivas para así crear espacios dinámicos y abiertos pero acogedores, sin importar el tamaño o la distribución.
