Assembly which makes the difference!

- simple, time-saving assembly
- click & clamp system with uniform joints
- invisible mounting system
- as easy to work as wood

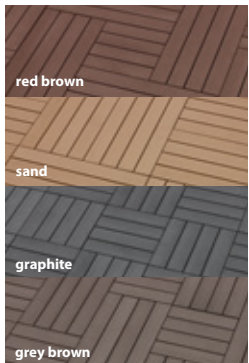

Convincing quality!

- low maintenance – simply clean with water
- high colour fastness and resistance to abrasion
- no painting, oiling or grinding required
- very anti-skid (R12) in both wet and dry conditions
- free of cracks and splinters
- resistant to weathering and temperature

For the sake of nature

- PEFC-certified
- Environmentally friendly- no tropical wood
- 100% recyclable material
