ABITARE le proprie EMOZIONI
Risuonare con ogni SPAZIO
Sentirsi a CASA non è mai una
questione di confini fisici.
È la LIBERTÀ di vivere fino in fondo ciò
che proviamo, OVUNQUE ci troviamo.
Alfalux nasce da questo DIALOGO:
SUPERFICI vive che ascoltano chi le
attraversa e TRASFORMANO lo spazio in
un luogo denso di presenza.
Un tratto a margine, una nota d'impulso,
un SEGNO d'INTESA.
Abitare è l'atto spontaneo di prendere
possesso di un AMBIENTE e farlo
NOSTRO, rendendolo il posto in cui,
semplicemente, siamo a CASA.

Alfalux
Excellence in ceramics

Living your emotions. Resonating with every space. Feeling at home is never a matter of physical boundaries. It is the freedom to fully experience what we feel, wherever we are. Alfalux stems from this dialogue: living surfaces that listen to those who pass through them and transform the space into a place imbued with presence. A sketch in the margin, a spark of intuition, a sign of understanding. Living is the spontaneous act of taking possession of a space and making it our own, turning it into the place where, quite simply, we are at home.

Habiter ses émotions. Être en résonance avec chaque espace. Se sentir chez soi n'est jamais une question de limites physiques. C'est la liberté absolue de vivre pleinement ce que l'on ressent, partout où l'on se trouve. Alfalux naît de ce dialogue : des surfaces vivantes, à l'écoute de ceux qui les parcourent, qui métamorphosent l'espace en un lieu saturé de présence. Un trait en marge, une note d'impulsion, un signe de connivence. Habiter, c'est l'acte spontané de s'approprier un lieu pour le faire notre, celui où, tout simplement, l'on se sent chez soi.

Ein Zuhause für die eigenen Gefühle. Sich jeden Raum zu eigen machen. Sich zu Hause zu fühlen, ist nie auf einen Ort begrenzt. Es ist die Freiheit, unsere Gefühle überall dort ausleben zu können, wo wir sind. Alfalux ist das Ergebnis dieses Dialogs: lebendige Oberflächen, die mit dem Benutzer interagieren und den Raum in einen Ort mit Charakter verwandeln. Eine Anmerkung, ein Impuls, ein Zeichen von Verbundenheit. Wohnen ist der spontane Akt, sich ein Ambiente zu eigen zu machen und einen Ort zu schaffen, an dem wir ganz einfach zu Hause sind.

SOFT
Surface
TECH

Designed for interiors, these ceramic surfaces combine excellent anti-slip performance with a soft texture that is easy to clean. Comfortable to walk on barefoot, they provide a secure footing even when wet.

On all Nat finishes

Pensate per gli interni, queste superfici ceramiche combinano eccellenti proprietà antiscivolo con una texture morbida e facile da pulire. Confortevoli da percorrere a piedi nudi, offrono un appoggio sicuro anche quando sono bagnate.
